Community Outreach for Youth and Family Services is looking for a **licensed therapist or social worker** in Augusta, GA to fulfill a part-time to eventual full-time contract position. The job description and requirements are below. We are looking to hire ASAP!!! The address of employment is 601 North Belair Square Ste. 25 Evans, GA 30809.

ESSENTIAL DUTIES AND RESPONSIBILITIES

Operates as part of the clinical team providing, vision, leadership and inspiration in planning, and managing comprehensive alcohol, drug, and mental health systems of care, including but not limited to: alcohol, drug, and mental health programs for children and adults; multi-agency, collocated collaborative programs; emergency and crisis services, mental health services; prevention; and community education.

Applies a working knowledge of applicable laws and regulations, psychiatric therapeutic guidelines and techniques pertinent to the delivery of mental health services; monitors procedures and documents for accuracy and regulatory compliance; prepares or maintains reports for management and/or responds to inquiries from government agencies; tracks and documents information as per the guidelines of governing bodies.

Interfaces with Agency and community programs and facilitates and/or participates in a number of different meetings both within the Agency and the mental health community; maintains liaison with federal, state, and local public and private agencies and individuals, and integrates the Agency's activities with those involved in related services. Administers public relations and educational programs to promote awareness and understanding of the Agency's services; addresses community groups and other organizations interested in the Agency and/or mental health issues; attends conferences to maintain knowledge of professional trends and practices.

Develops programs and adheres to established policies and procedures; ensures that treatment models and systems of care are implemented in ways consistent with the requirements of Agency, government regulatory agencies, and available funding streams; assures departmental compliance with federal and state program and treatment standards; coordinates and implements training programs; investigates service and employee complaints and grievances, and responds with appropriate corrective action.

Monitors service delivery for quality, efficiency and effectiveness; develops and utilizes performance and community impact measures in program development and planning; participates in staff training and supervision to ensure excellence in service delivery and team development. Participates with project teams and ongoing work groups to solve problems, make decisions, and plan future program developments; reviews, analyzes, evaluates, and modifies programs.

Provides administrative oversight including case management and case documentation; ensures compliance with all Agency policies and procedures, Georgia Department of Mental Health and Substance Abuse Services and the Department of Public Welfare regulations and the Therapist Code of Ethics.

Adheres to treatment plans and recommendations; provides routine evaluations of service delivery and progress pertinent to behavioral interventions and modification; coordinates crisis intervention and in-patient treatment when appropriate.

Implements various mental health treatment methods and client service management for both youth and adult clients under the auspices of Community Support Services. Implements psycho-educational services and person-centered behavioral intervention plans and supports for clients. Ensures that person centered plans include structure and support in activities of daily living, school and community integration and behavior plans and interventions, including mental health treatment as needed. While outpatient therapy programs are tailored to the needs of the individual, individual and/or group counseling, family therapy programs may be offered. Provides individual counseling, family, and group therapy as required; introduces various treatment methods and intervention strategies and techniques; complies with all external and internal requirements and regulations regarding progress notes, record-keeping and reporting.

Applies a variety of therapeutic techniques and interventions to address problematic thoughts and behaviors, including depression, suicidal impulses, addiction and substance abuse; stress, problems with self-esteem and grief; assists clients with job and career concerns and educational decisions; assists with issues related to mental and emotional health, family, parenting, marital or other relationship problems. Interfaces with families, treatment team members, case management resources and service providers as necessary to ensure effective delivery of service and progress toward goals; provides behavioral intervention guidance and training.

Participates with multi-disciplinary team in cooperation with Georgia Department of Mental Health, Medicaid, physicians, psychiatrists and other internal/external mental health professionals; plans community-based in-services, programs and workshops to ensure outreach, education and prevention; makes referrals when appropriate. Administrative and/or on-call responsibilities may require carrying a cell phone and responding personally to acute emergencies outside normal business hours including weekends.

Performs other duties as assigned.

MINIMUM QUALIFICATIONS

An individual who holds a license, provisional license, certificate, registration or permit issued by the governing board regulating a human service profession, except a registered nurse who is licensed to practice in Georgia by the GA Board of Nursing who also has four years of full-time accumulated experience in MH/DD/SA with the population served; **OR**

Premier Consulting and Management Services, Inc
Licensed Social Worker (Augusta, GA)

The employee shall hold an MSW with at least two years experience in the Social work practice, prevention of child abuse/domestic abuse and family. The employee must either be licensed social worker. The employee will provide coordination and clinical supervision to the Social Worker within the framework of the FAP and in collaboration with the FAPM. Specific duties include:

1. Serve as the primary in-take Social worker (SW) in the Army Community Service / Family Advocacy Program. SW will assess walk-ins and telephone referrals from staff, command, social work and community. SW will provide crisis intervention to service members and families. Appropriate referrals will be made with coordination through the FAPM and in her absence the designee.
2. Conduct Home visits in conjunction with the New Parent Support Program Plus Home Visitor to provide role modeling and/or mentoring, pregnancy and parenting education, and referral as needed. Such sessions may occur at a client's on or off post home, victim's shelter or hospital.
3. Conduct thorough psychosocial assessment, including risk assessment, on all cases referred to NPSP+ as high risk for potential abuse. Assessments may be conducted in ACS office, client homes, or hospital visits.
4. Coordinate routine home visits, minimum of monthly visits for high risk cases, in order to provide individualized assistance in positive parenting, healthy family lifestyles and safety. Documentation should occur in each case at least monthly.
5. Ensure confidentiality of all records, actions and conversations. Enter data in the Army Community Service Client Tracking System within 24 hrs of accessing or working with a service member or family member. Inform the FAPM or designee within two hours of a high risk profile case.
6. Evaluate, coordinate and provide for the immediate needs of a victim of domestic or child abuse in regards to immediate safety, identification and reporting in accordance with installation guidance.
7. Attend staff meetings and complete written correspondence, class rosters, lesson plans, class critiques, activities reports, statistical reports and other administrative duties applicable to the described duties as required by the Family Advocacy Program.
8. Assist in collecting program data for purposes of Family Advocacy Needs Assessment.
9. Maintain home visitation/follow up/case management log of contracts and referrals.
10. Model proper supervision and parenting skills during playtime, school homework and household chores that foster a child's sense of belonging and ensures safety.
11. Teach and model proper communication skills for parent/child conflict resolution.

12. Provide parenting education and information to expectant parents determined to be at risk of family violence to promote the psychological and physical preparation for the roles of parenting.
13. Assess the early intervention needs of the mother, father and infant in families identified to be at risk for family violence. Ensure that appropriate referrals to community resources are provided.
14. Work with Family Advocacy Program Specialist to develop and conduct education classes on nurturing, home management, networking for support, stress management techniques, effective parenting, developing safety plans, empowerment and building self esteem.

All candidates can send their updated resume to Quatasha Jones at gjones@pcms-consulting.com. (posted 1/25)

- Demonstrated oral and written communication skills
- Excellent computer literacy skills, including Microsoft Office Word, Excel and Outlook; and database management.

General Responsibilities: Under the general direction of the Vice President for Programs, is responsible for the overall management of the Client Services Department, including intake processes, client feedback system, outreach to the community, the diabetes services program, and oversight of various support groups.

Specific Responsibilities:

1. In consultation with the Vice President for Programs, recruit, train, supervise, and evaluate personnel in the Client Services Department. Conduct annual individual performance appraisals and assist individual staff members in setting annual performance objectives.
2. Manage and participate in the application and intake process for CVI programs, ensuring accuracy and client satisfaction. Develop and produce monthly reports on intake activity. Ensure adequate flow of referrals to all CVI programs.
3. Prepare and submit necessary reports in an accurate and timely manner.
4. Maximize income for all services offered at CVI by effectively utilizing grants, client contributions, and insurance. Monitor eligibility requirements for funding sources, including Medicare, insurance and government grants. Coordinate with The New View Department in tracking referrals to the Department of Human Services' rehabilitation programs.
5. Develop, implement and manage an outreach plan to CVI partners in the community, including the Atlanta Regional Commission (ARC), eye care professionals, Visiting Nurses, etc.
6. Provide leadership that will ensure a high level of quality assurance, accounting and support for the various groups offered at CVI. Provide monthly reports on group activities using ODIE.
7. Supervise the maintenance of client records and make certain that client database reflects accurate and current documentation of service delivery, required reports and information needed for billing for reimbursement for service, while modernizing and streamlining the paperwork process in Client Services, leading to a more paperless operation.
8. Develop educational opportunities for clients to access a variety of services at CVI, including support groups, transition to other programs, and short-term classes
9. Collaborate with the Development Department's marketing staff on educating the community about CVI.
10. Coordinate at least three Lunch and Learn programs annually.
11. Recommend to the Vice President for Programs actions and procedures to improve staff utilization and services offered to clients.
12. Participate in the agency's annual budgeting process.
13. Participate in the agency's annual strategic planning process.
14. Maintain knowledge of trends and developments in the fields of vision rehabilitation and social work and encourage staff to increase their knowledge through professional reading and participation in appropriate professional organizations.
15. Participate as a member of the agency's management team.
16. Other duties as assigned.

To apply: Send resume and cover letter to jobs@cviga.org. Resumes without a cover letter will not be accepted. Job posting date: Jan. 27, 2012. **Job open until position is filled.**

CVI is an Equal Opportunity employer and operates a Drug-Free Workplace. (posted 1/27)

Reach Out and Read, one of the nation's leading nonprofit organizations, seeks an exceptional, entrepreneurial, results-oriented **Executive Director** with proven fundraising, leadership and management experience to provide leadership to Reach Out and Read in Georgia.

About Reach Out and Read

Reach Out and Read is an evidence-based school readiness initiative that **serves 4 million children** and families nationwide. The Organization prepares America's youngest children to succeed in school by partnering with doctors to prescribe books and encourage families to read together.

Responsibilities

The Executive Director will:

- oversee all fundraising and philanthropic aspects of the Reach Out and Read program in Georgia, including obtaining foundation, corporation, government, and individual support (the Director will have a goal of raising at least \$500,000 annually);
- develop and implement strategies to increase visibility and brand awareness of Reach Out and Read (including annual participation/leadership of statewide/regional/community conferences);
- implement and maintain local, regional and statewide partnerships to help Reach Out and Read Programs throughout Georgia become integrated within early learning and family support systems;
- plan and implement efforts which both broaden and deepen the engagement of doctors and the healthcare system in early learning;
- oversee the Reach Out and Read program and its Program Sites throughout Georgia, setting and implementing a plan for strategic expansion, while focusing on the long-term sustainability of the program;
- develop and maintain a strong Executive Advisory Board, comprised of individuals committed to serving their community and providing actionable services to Reach Out and Read; and
- develop and administer Georgia's annual budget.

Qualifications

- At least seven years of nonprofit/business management and fundraising experience
- Bachelor's Degree required; Master's Degree preferred

- Background in, or familiarity with, early childhood development, pediatric medicine, or family literacy is helpful, as is experience working in or with community health centers and/or physicians

Be the non-profit leader that you have always dreamed of being and help change the lives of thousands of children and families. If interested, please send your resume to recruiting@shwrecruiting.com. (posted 1/24)

Quality Improvement Consultant - Developmental Disabilities

Delmarva Foundation is currently seeking a qualified Quality Improvement Consultant (QIC) who will be responsible for follow-up with technical assistance activities as part of the provider enhancement reviews and person centered reviews to help generate solutions and facilitate needed improvements to enhance the overall service delivery system.

Responsibilities:

Utilizing a consultative approach to share expertise and guidance regarding current practices and trends in the field of intellectual/developmental disabilities. Organizing, completing the assigned consultation components and preparing written reports summarizing activities.

Consultant will maintain independent responsibility for communicating with providers and working in coordination with Georgia's Regional Division of Developmental Disabilities personnel. Consultants will evaluate whether providers are meeting the needs of individuals served, complying with State regulations and providing services efficiently and effectively. Reviews will be both onsite and offsite. The QIC will routinely interact with individuals receiving services, providers and Regional staff.

Delmarva Foundation is under contract with the Department of Behavioral Health and Developmental Disabilities to provide quality assurance and quality improvement activities for supports and services provided to individuals with intellectual or developmental disabilities in the State of Georgia. The objective of the Georgia Quality Management System is to implement strategies to assure the health and welfare and to improve the quality of life for Georgia's citizens with developmental disabilities. Delmarva is a highly successful and rapidly growing not-for-profit company with a passion for excellence and over 35 years of experience in health and human services.

Affirming equal opportunity in principle and practice, Delmarva is committed to developing a diverse workforce.

For immediate consideration, please visit our online applicant tracking website to submit resume and salary requirements at: <http://www.metroatlantajobs.com/apply.asp?pagemode=4&jid=2600382>

Requirements:

Candidates must have a degree in social sciences, human services, or therapy services (PT, OT, SP) to meet the qualifications of DDP and have at least five years of experience in the field of developmental disabilities.

Candidates must be able to work very independently via a home-based approach and must have the ability to utilize standard computer applications and software.

They must be able to travel on a daily basis, periodically including overnight and/or week-long overnight trips, and must be able to maintain a flexible and irregular schedule. (posted 1/24)

Faculty Position: Clinical Assistant Professor

Georgia State University School of Social Work in Atlanta invites applications for a **full-time, non-tenure track position** at the clinical assistant professor level **starting August, 2012**.

Duties: The successful applicant will have teaching responsibilities at both the Alpharetta and Downtown Main Campus of Georgia State University. Primary teaching responsibility is with students in the BSW program. The applicant will serve as the academic advisor to social work majors who are taking classes at the Alpharetta campus. In addition, the applicant will be expected to assist with field education and recruit students for the BSW program. Persons with familiarity and ability in the development and teaching of courses involving online technology are encouraged to apply, as are those with a background and interest in undergraduate education.

Qualifications: Applicants must possess a MSW, with a doctorate in social work or closely related field preferred. Two years post-master practice experience required.

Campus and School: With more than 30,000 students, Georgia State University is a dynamic campus and one of the Southeast's largest urban universities. It is ideally situated in the heart of downtown Atlanta and is within easy access to the State Capitol, the Martin Luther King, Jr. Center, the Jimmy Carter Library, state and federal agencies and a vast array of community agencies.

To Apply: Send a letter of application, curriculum vitae, and names and contact information of three references to: Dr. Deborah Whitley, Search Committee Chair, School of Social Work, Georgia State University, P.O. Box 3995 Atlanta, GA 30302-3995. Review of applications will begin January 1, 2012 and continue until position is filled. Position will begin August, 2012.

Georgia State University, a unit of the University System of Georgia, is an Affirmative Action/Equal Opportunity Employer. Conducting background checks of final candidates is part of the hiring process at Georgia State University. A satisfactory background investigation report, as determined by the sole discretion of the University, is a requirement for employment with the University. (posted 1/9)

Academic Professional in Social Work

Georgia State University School of Social Work in Atlanta, Georgia invites applications for a **full-time, non-tenure track position** as an Academic Professional.

Duties: Assist with the placement of both BSW and MSW students in their field placements; serve as faculty liaison; teach BSW and/or MSW field seminar and field-related courses; monitor university/agency agreements; assist in developing, implementing and evaluating field education policies and procedures consistent with accreditation standards; conduct field evaluations; assist with field supervisor trainings; maintain database for all field-related materials (e.g., student applications, placement records, and agency MOUs).

Qualifications: Applicants must have a MSW, two years of post-masters practice experience, and experience in social work field education as a field supervisor and/or faculty liaison. Preferred qualifications include a PhD in social work or closely related field, experience or knowledge of part-time educational models, and experience in the use of information technology (e.g., teaching, administration).

Campus and School: With more than 30,000 students, Georgia State University is a dynamic campus and one of the Southeast's largest urban universities. It is ideally situated in the heart of downtown Atlanta and is within easy access to the State Capitol, the Martin Luther King, Jr. Center, the Jimmy Carter Library, state and federal agencies and a vast array of community agencies. The Alpharetta campus is located in the North Metro suburbs of Atlanta; the School of Social Work began offering BSW course in Alpharetta in Fall semester, 2011. Attracting a mix of local, national, and international students, GSU is the most diverse college campus in the University System of Georgia. Within the School of Social Work, the BSW program graduates approximately 80 students per year. The MSW program, with a sole concentration in community partnerships, graduates 40-45 students per year. Both programs are accredited through 2012.

To Apply: Send a letter of application, curriculum vitae, and names and contact information of three references to: Dr. Deborah Whitley, Search Committee Chair, School of Social Work, Georgia State University, P.O. Box 3995 Atlanta, GA 30302-3995. Review of applications will begin January 1, 2012 and continue until position is filled. Position will begin August, 2012.

Georgia State University, a unit of the University System of Georgia, is an Affirmative Action/Equal Opportunity Employer. Conducting background checks of final candidates is part of the hiring process at Georgia State University. A satisfactory background investigation report, as determined by the sole discretion of the University, is a requirement for employment with the University. (posted 1/9)

Position: Live Chat Clinician/Project Coordinator, Lifeline Chat Pilot Program

Behavioral Health Link seeks a tech savvy Clinician to join its team as Live Chat Clinician/Project Coordinator for a federally-funded pilot program.

Location: Atlanta, GA

Seeking: Part-Time (Time Limited Position – Not to exceed October 1, 2012)

Qualifications: Master's degree from an accredited behavioral health or affiliated program with a valid, unrestricted license to practice in the state of Georgia. Full licensure is preferred.

Experience: Three (3) years experience in a behavioral health setting. Typing speed of 50 wpm with 85% accuracy. Prior experience effectively implementing and communicating using chat tools; experience using SightMax preferred. Familiarity with dashboard reporting and other metric drivers a plus. Core Competencies include but are not limited to: analytical skills, attention to detail, customer focus, interpersonal savvy, problem solving and time management/prioritization.

Responsibilities & Knowledge Skills: Assist with live chat project implementation and business integration as part of the Lifeline Chat Pilot Program. Lead online chat implementation and integration into daily Call Center operations. Monitor Live Chat platform and provides direct chat service. Train other clinicians across all shifts on chat protocols and procedures. Identify and track relevant key performance indicators. Provide statistical analysis/data to assist with reporting requirements. Document chat procedures and create end user training tools/manuals using language appropriate to audiences' technical proficiency.

Working Conditions: Normal office environment where there are no discomforts due to temperature, smoke, noise, dust and/or the like. Occasionally requires working beyond normal duty hours. May require support of remote users.

Qualified candidates should email their resume to bhlhr@ihrcorp.com and reference the position title in the subject line. (posted 1/9)

Statewide LCSW employment opportunities

Salus Behavioral Health

LCSW

Salus Behavioral Health is proud to be a leading provider of behavioral health services in long term care settings throughout Georgia. We welcome inquiries from clinicians who want to join our team on a full-time or part-time basis. For those with a sense of mission, and those who want to better position their career for the future, working with the under-served geriatric population is both stimulating and rewarding. You'll have the opportunity to practice in an environment where your efforts are appreciated and experience a high level of professional satisfaction and accomplishment.

Requirements/ Duties include: Individual and family psychotherapy; conduct initial evaluations; develop treatment plans with quarterly reviews; maintain prompt and thorough documentation; ensure compliance with Salus Behavioral Health policies and procedures; interface and collaborate with facility interdisciplinary treatment team regarding resident treatment planning, progress and observations.

Clinical social workers must hold state license to practice.

To be considered for a position, please forward your resume to Sarah Ryan, the Director of Business Development at ryan@salusbh.com or call 866.325.5434 x 226.

For more information please visit our website. <http://www.salusbehavioralhealth.com>
